# DEAR SPONSORS

In 2014, DFW Vagina Monologues was one of thousands of events around the world that channeled creative energy into making a difference as part of the V-Day Campaign. Exciting and compelling performances helped make this event a huge success with over \$2,000 raised for Hope's Door and The Turning Point of Plano. The DFW Vagina Monologues proudly returns to Dallas on **March 6-7, 2015!**

Eve Ensler's THE VAGINA MONOLOGUES is based on interviews with over 200 women about their memories and experiences of sexuality. Eve Ensler's Obie Award-winning masterpiece The Vagina Monologues gives voice to women's deepest fantasies and fears, guaranteeing that no one who sees it will ever look at a woman's body, or think of sex, in quite the same way again.

The DFW Vagina Monologues is a benefit performance for the V-Day campaign to end violence against women, and all proceeds for the 2015 event will go to **Hope's Door**, a shelter and counseling center serving Collin and Dallas County.

Part of what makes this event so special is the opportunities it offers to businesses in local communities - to participate in this global movement, to celebrate and honor the women and girls in your life and community, to be part of a collective voice, a voice that refuses to be ignored, a voice that says NO to violence against women and girls.

Since we hope to donate as much money as possible to Hope's Door, we will need to cover the few expenses we will incur in staging such an event and still have money left over to give away. We hope that we can depend on you for financial support.

In exchange for your generosity, we will include your business' name and logo on all communications that go out - press releases, fliers, brochures, program, etc.

Thank You,

Cyran J. Harrington  
Event Producer
